Sinds SAVATAGE, ze heetten toen nog AVATAR, de single CITY BENEATH THE SURFACE uitbracht was het helemaal duidelijk.

SAVATAGE, en dan hebben we het over de periode met Criss Oliva (1983 - 1993), had toen de ultieme combinatie:

Supervette metal riffs, superbe gitaarsolo's, unieke high pitched lead zang, een gigantisch stuwende ritmesectie maar vooral muziek recht uit de ziel!

En, het kom niet uiblijven...

Een aantal bevriende, uiterst doorgewinterde, en supertoffe muzikanten gaan deze fantastische muziek LIVE op elke geschikte bühne brengen!

Denk aan SIRENS, POWER OF THE NIGHT, HALL OF THE MOUNTAIN KING en nog veel meer SAVATAGE knallers....

Be prepared to be blown away!

Ever since SAVATAGE, named AVATAR in those early days, released their first single CITY BENEATH THE SURFACE they heavily impressed!

SAVATAGE, in particular the period between 1983 - 1993 with Criss Oliva, always contained the perfect combination:

The best Metal riffs, superb guitar solo's, high pitched unique yet superb lead vocals, pounding drums and driving bass work packed in and delivered with REAL soul touching music!

And now it's finally happening!

SAVATAR, the very first Dutch SAVATAGE Tribute Band with all seasoned and dedicated musicians, will perform this great legacy LIVE on any stage suitable.

Think SIRENS, POWER OF THE NIGHT, HALL OF THE MOUNTAIN KING and many more... Be prepared to be blown away!
